

COACHELLA VALLEY ASSOCIATION OF GOVERNMENTS

2023 State and Federal Legislative Platform

Adopted: December 5, 2022

Coachella Valley Association of Governments

The Coachella Valley Association of Governments (CVAG) is a council of governments in the Coachella Valley and eastern Riverside County that funds and delivers transportation projects, operates regional programs and coordinates government services in order to improve and address issues of regional significance. CVAG’s activities include, but are not limited to, improving the regional transportation system, providing services to the chronically homeless and promoting the use of green energy and sustainability. CVAG's membership includes 10 cities, the County of Riverside and four Indian tribes. As an organization committed to addressing issues of common interest and concern of its member agencies, CVAG strives to implement regional programs and policies that advance a better quality of life and balanced growth for residents, businesses and tourists of Central and Eastern Riverside County.

The legislative platform will guide the tracking and analysis of priority legislative, budget, regulatory, and administrative issues at the federal and state levels. It will assist in providing staff and lobbyists guidance on policy-related matters that may impact the operation and implementation of the various programs and services offered by CVAG. This document will facilitate the development of a federal and state strategy and focused action plan to address the needs and priorities of CVAG and its member jurisdictions.

Key Categories

Reliable, sustainable and safe multimodal transportation infrastructure is a top priority for the Coachella Valley Association of Governments as it strives to support the transportation needs of current and future residents and visitors.

Supporting and securing funding for clean energy and energy efficiency initiatives that reduce our carbon footprint, improve air quality, and increase climate resiliency for our member agencies and our residents.

Conservation of the Coachella Valley's natural resources and maintaining and growing our rich and abundant wildlife is a focus of CVAG and our members.

Deployment of middle-mile infrastructure that can facilitate a high-speed last-mile broadband network for beneficial use among CVAG's residents, businesses, and members is key to the success and vitality of CVAG and the communities it serves.

Addressing the dual challenges of homelessness and development of affordable housing through regional solutions is critical to ensuring a high quality of life in the Coachella Valley.

Maintaining a safe and secure community, free of crime, while ensuring clean and engaging public spaces, is essential to maintaining vibrant and growing business and residential communities.

STATE

Fighting for Fairness and Funding

- Support legislative efforts that improve funding opportunities for the Coachella Valley in the state’s Cap-and-Trade program and oppose policies that disproportionately disadvantage the CVAG region to compete for funding.
- Support policies that allow for a diverse set of social equity metric measuring tools to qualify and compete for Cap-and-Trade funded programs including, but not limited to, household income and the AB 1550 low-income definition and oppose efforts that would limit use to, or increase reliance on, the CalEnviroScreen in grant programs.
- Support legislative efforts, regulation and guidance that allows for virtual public meetings to continue for regional agencies, such as AB 361, to facilitate access to meetings and allow for increased efficiencies and effectiveness in conducting public meetings while also reducing vehicle miles traveled.
- Support legislative and regulatory changes to the Transformative Climate Communities program to allow eligible and qualifying planning grant recipients to also be eligible and qualify to apply for implementation grants.
- Support policy changes to funding programs that use the CalEnviroScreen tool that would broaden eligible competitive areas and that better reflect the diversity in the Coachella Valley.
- Oppose legislative and regulatory actions that utilize CalEnviroScreen and high-housing density criteria, which favor large urban centers, to determine allocation of state grant funds and would decrease funding competitiveness for areas such as the Coachella Valley.
- Oppose program guidelines that use transit-oriented development standards, such as the Affordable Housing and Sustainable Communities program, that disproportionately favor large urban centers and do not reflect the reality of growth and development in the Coachella Valley, therefore decreasing funding opportunities for the CVAG region.
- Advocate for policy changes that allow for regional variances related to transit quality, transit frequency and density related to housing-oriented development, to allow the CVAG region better compete for funding in the state’s Cap-and-Trade program.

Transportation

Bridges, Regional Arterials and Improved Access

- Support regional efforts to increase passenger rail service between Los Angeles and the Coachella Valley, including funding opportunities and actions by the Facilitate Equitable Deals task force to improve coordination and collaboration with Union Pacific Railroad (FED-UP).
- Support legislation that increases funding opportunities for bridges, interchanges and regional arterials in the Coachella Valley.
- Support efforts by the California Department of Transportation, Riverside County Transportation Commission, San Diego Association of Governments and the San Bernardino Association of Governments, to implement congestion projects identified in the Inland Empire Multimodal Corridor

Plan that increase mobility to and from the CVAG region, including increased funding for bypass roads, bridges and transportation improvements in the pass area.

- Support California Environmental Quality Act (CEQA) reform to expedite and streamline project delivery for transportation projects.
- Support and advocate for actions that increase transportation resources in the City of Blythe and local Tribal Nations, to address historic underinvestment and improve mobility, economic development opportunities and quality of life.
- Monitor the state's road charge pilot program and other potential replacement mechanisms for the state gasoline excise tax.
- Monitor legislative changes to Senate Bill 1 (Statutes 2017); oppose efforts to divert funding to non-transportation related uses, such as housing, or otherwise qualifying eligibility of SB 1 funds on non-transportation related goals and objectives.
- Monitor implementation of the California Action Plan for Transportation Infrastructure (CAPTI) and opposed policies that decrease funding opportunities for the Coachella Valley.
- Oppose legislative changes that create or strengthen a nexus between the availability of transportation funding and local jurisdictions' ability to meet their requirements under the Regional Housing Needs Assessment (RHNA) numbers.
- Oppose legislative or regulatory policies that decrease local decision-making authority regarding use of local funds for priority transportation projects.
- Monitor legislation that would increase voter approval thresholds for the creation, extension, or increase of local transportation tax measures and support regional efforts by RCTC to clarify their authorities and establish diversified and flexible funding sources such as those created in other counties via AB 1413 that allow sub-regional funding mechanisms to advance local priority projects.

Active Transportation

- Support increased funding for the Active Transportation Program (ATP) to address the backlog of applications and increase the program's funding capacity.
- Support increased investment in active transportation infrastructure as a component of other state-funded transportation programs that increase access and opportunities for walking, biking, and complete streets that connect the multimodal transportation system.
- Support policies and programs that promote increased use of active transportation infrastructure and systems.
- Support efforts that streamline project delivery, build local capacity such as additional technical assistance, and provide increased flexibility to innovate and strategically invest funds to meet local needs.
- Oppose legislative, regulatory, and administrative efforts to score ATP applications on non-transportation related criteria, such as housing-related policies, CalEnviroScreen and policies which would hinder low density areas like the Coachella Valley and the City of Blythe.
- Oppose changes to the ATP that would decrease CVAG's competitiveness, such as the elimination of leveraged funding and other categories that are advantageous to CVAG and its members jurisdictions.

Intelligent Transportation Systems

- Support programs that leverage technology to improve mobility, increase goods movement efficiency, reduce emissions and help to mitigate environmental impacts.
- Identify state programs and funding that supplement CVAG's CV Sync project.
- Monitor legislation that incorporates innovative technologies into the state transportation system, such as zero or near-zero emission vehicles, autonomous vehicles, and small electric mobility devices that improve transportation accessibility, efficiency and reduce environmental impacts.

Energy and Environment

- Support legislative and regulatory efforts to increase the flexibility of funding programs from the California Air Resources Board's Cap-and-Trade Program to ensure the Coachella and Palo Verde Valleys get their fair share, including taking into account regional variances related to growth, housing, and greenhouse gas (GHG) reduction strategies.
- Support increased investments of the state GHG reduction funds toward transportation projects to reduce transportation related GHG emissions.
- Support investments in Cap-and-Trade funded programs, such as the Clean Vehicle Rebate Program, Single-Family Energy Efficiency, and Low-income Weatherization programs.
- Advocate for changes in the CalEnviroScreen mapping tool that reflect the socio-economic realities of the diverse communities in the Coachella Valley and Palo Verde Valleys, or the use of alternative tools such as household income per the AB 1550 designation.
- Support policies that ensure criteria for defining disadvantaged communities and environmental justice areas accurately represent eastern Riverside County, including those that mirror AB 1550 community mapping, in order to ensure the region can compete for funding opportunities.
- Support policies, programs, and funding for electric vehicle charging infrastructure and increased use of electric vehicles in the region.
- Support efforts that provide necessary resources for implementation of the Coachella Valley Multiple Species Habitat Conservation Plan as well as resources for desert communities to prepare and adapt to changing climate and natural disasters, such as the Climate Resiliency programs.
- Support funding for programs that support local planning and response measures to extreme heat events, including nature-based solutions, to protect critical infrastructure, habitat and public health and safety.
- Support legislation that provides funding for the restoration and revitalization of the Salton Sea to limit regional impacts to air quality, wildlife habitat, and health of communities, including the Phase One: 10 Year Plan.
- Support efforts at the Salton Sea that facilitate economic development, such as lithium extraction.
- Monitor actions related to the 1934 Agreement of Compromise between Imperial Irrigation District and the Coachella Valley Water District and support Coachella Valley Energy Commission efforts to achieve a permanent service option and governance structure between Coachella Valley stakeholders and IID post-2033.

- Identify programs and support legislation that provides funding for clean energy, energy efficiency, decarbonization, and green building programs.
- Monitor legislative and regulatory efforts related to vehicle electrification and building decarbonization that would add new requirements to local governments, including Title 24 building standards.
- Monitor implementation of the state’s climate resiliency efforts and efforts related to environmental justice communities and AB 617 (Statutes of 2017) emission reduction funding programs.
- Support policies and funding that expand access for rooftop solar to households of all incomes. Monitor issues related to Net Energy Metering and initiatives that impact availability and affordability of rooftop solar.

Broadband

- Support funding and implementation of the Coachella Valley’s middle-mile broadband project and the programs to assist with last-mile connections that bridge the digital divide in the Coachella Valley.
- Monitor legislative and regulatory actions related to SB 156 (Statutes of 2021) and related actions by the California Department of Technology and the Office of Broadband and Digital Literacy.
- Monitor the California Middle-Mile Advisory Committee and its recommendations regarding implementation of middle-mile infrastructure.
- Monitor the California Public Utilities Commissions proceedings related to broadband infrastructure implementation, such as Rulemaking (R.) 20-09-001 and Rulemaking proceeding, R.20-08-021.

Homelessness and Affordable Housing

- Support increased investment in, and creation of, programs that assist local governments, counties and regional collaborations to address the challenges associated with homelessness.
- Support legislative efforts that allow for sustainable financing options, as outlined in CVAG’s Regional Early Action Plan (REAP) and member jurisdictions’ Local Early Action Plans (LEAP), in order to address housing shortages and provide affordable housing options.
- Support efforts by Lift to Rise to establish the Coachella Valley Housing Catalyst Fund to increase housing production in the Coachella Valley and create homeownership opportunities for low- and very low-income families, permanent supportive housing for the homeless and address unpermitted mobilehome park issues.
- Support CEQA reform to streamline the delivery of housing projects.
- Monitor the Affordable Housing and Sustainable Communities Program and advocate for increased flexibility and changes that ensure a greater share of funding is available to areas that don’t have Transit Oriented Developments (TOD) and thereby more accurately account for unique community characteristics and growth patterns in the Coachella Valley.
- Support the extension of state-funded solutions, including Project RoomKey and Project HomeKey, with an emphasis on ensuring those investments are used in the Coachella Valley.

-
- Support legislative efforts that would allow local jurisdictions to implement, if they choose, programs and ordinances that require unsheltered individuals to accept housing solutions and treatment solutions.
 - Support efforts to establish homeless courts that can help local jurisdictions provide additional solutions and services for homeless individuals.
 - Support legislative efforts that would allow local jurisdictions to implement, if they choose, programs and ordinances that increase the available housing units and/or require unsheltered individuals to accept housing solutions and treatment solutions so long as there are adequate housing units available.

Public Safety

- Support programs and policies that provide funding for the CVAG region to obtain, enhance, operate, maintain and update early earthquake warning systems.
- Monitor legislation and executive orders related to the COVID-19 pandemic and other public health and safety emergencies and support programs that provide assistance to negatively impacted communities in the Coachella Valley.
- Monitor legislation impacting race, diversity, and inclusion policies as it pertains to local law enforcement.
- Support and advocate for additional judgeships in Riverside County to address the chronic backlog of cases.

FEDERAL

Transportation

Bridges, Regional Arterials and Improved Access

- Support regional efforts for the Coachella Valley-San Geronio Pass Rail Corridor Service (CV Rail), including funding opportunities to advance the preferred alternative, to support alternate transportation modes and better connect desert communities and attractions with Los Angeles, Orange County and the Inland Empire.
- Support actions by the Riverside County Transportation Commission, the Federal Railroad Administration and the California Department of Transportation that advance CV Rail.
- Support advocacy efforts by the Facilitate Equitable Deals Task Force to improve coordination and collaboration with Union Pacific Railroad (FED-UP).
- Support outside funding for CVAG's priority projects as outlined in the Transportation Project Prioritization Study (TPPS), including interchanges along the Interstate 10 corridor and State Highway Route 86, in order to reduce the burden on regional and local funds.
- Support legislative and regulatory efforts that increase funding for the expansion and improvement of regional arterial projects that improve public safety, encourage economic development, ease traffic congestion, and reduce air quality and environmental impacts.
- Support efforts by Riverside County Transportation Commission, San Diego Association of Governments and the San Bernardino Association of Governments, to reduce congestion and increase mobility to and from the CVAG region, including increased funding for bypass roads, bridges and transportation improvements in the pass area.
- Support Congressionally directed spending requests for transportation projects in the Coachella Valley and in eastern Riverside County.
- Support increased funding for Tribal nations in the Coachella Valley for implementation of regional transportation projects.
- Support efforts that expand public transportation opportunities in the City of Blythe, including increased transit.
- Support National Environmental Policy Act (NEPA) reform to expedite and streamline environmental review and project delivery for transportation projects.
- Support efforts that dedicate funding for goods movements projects, including grade separation projects, in eastern Riverside County.
- Oppose efforts that decrease local control and decision-making regarding local revenue sources, including, but not limited to, Measure A sales tax revenue and the Transportation Uniform Mitigation Fee (TUMF).
- Oppose efforts that would divert revenue derived from transportation sources to non-transportation related projects or activities.
- Oppose efforts to eliminate or decrease use of state and local transportation funds for capacity enhancement projects and monitor one-size-fits-all approaches regarding their use.

- Monitor implementation of programs in the federal Infrastructure Investment and Jobs Act (2021 Infrastructure Bill) and the Inflation Reduction Act of 2022 (IRA 2022), such as the Bridge Investment Program, and support funding for existing programs such as the Highway Bridge Program and the Transportation Infrastructure Financing Innovation Act (TIFIA) Program.
- Monitor regulatory and legislative changes to the Federal Highway Administration’s Congestion Mitigation and Air Quality (CMAQ) Improvement Program and oppose efforts that impose additional requirements on, or decrease funding for, CVAG or its member agencies.
- Monitor efforts that would make changes to the Clean Air Act and associated transportation programs to meet nonattainment or maintenance requirements.
- Monitor potential replacement mechanisms for the federal gasoline excise tax.

Active Transportation

- Support policies and programs that provide funds for regional projects identified in CVAG's Active Transportation Plan.
- Advocate for increased federal funding to the state's Active Transportation Program, including opportunities to augment the program through the Reconnecting Communities and the Neighborhood Access and Equity grant programs.
- Monitor legislative and regulatory activity related to new mobility devices, such as scooters and automated vehicles, to ensure adequate safety compatibility with active transportation systems.

Intelligent Transportation Systems

- Identify and pursue funding opportunities that support, expand or leverage intelligent transportation systems, including CVAG’s synchronization (CV Sync) traffic signal program.
- Monitor legislative and regulatory changes to funding sources for intelligent transportation systems, including the Congestion Mitigation and Air Quality program, and oppose efforts to decrease funding for non-attainment areas.

Energy and Environment

- Support legislation and programs that invest in projects that achieve environmental benefits, including improved air and water quality, water and energy conservation, and urban greening and heat mitigation initiatives in the region.
- Support programs that fund implementation of the Coachella Valley Multiple Species Habitat Conservation Plan and that support habitat restoration in the Coachella Valley.
- Support Salton Sea Authority efforts related to Salton Sea projects and legislation that provides funding for the restoration and revitalization of the Salton Sea, including the Phase One: 10 Year Plan.
- Support legislation that facilitates environmentally sensitive renewable energy development at the Salton Sea Known Geothermal Resource Area, including lithium extraction.

- Support legislation that provides funding for electric vehicle infrastructure and incentives for early adoption of electric vehicles.
- Monitor federal legislative, regulatory, and administrative activities that may impact the Coachella Valley Multiple Species Habitat Conservation Plan and the Desert Renewable Energy Conservation Plan.
- Monitor legislative and regulatory actions that may impact Property Assessed Clean Energy programs.
- Identify programs and support legislation that provides funding for clean energy, energy efficiency, decarbonization and green building programs.
- Monitor and support funding opportunities for wildlife crossing structures to increase habitat connectivity and decrease wildlife-vehicle collisions in areas where populations are fragmented by highways and interstates.
- Support policies and funding that expand access for rooftop solar to households of all incomes. Monitor issues related to Net Energy Metering and initiatives that impact availability and affordability of rooftop solar.

Broadband

- Support and advocate for funding for open access middle-mile infrastructure to facilitate last-mile connections and leverage existing networks and construction projects to build networks, when possible.
- Support efforts and funding that prioritize connectivity to unserved and underserved communities and community anchor institutions.
- Support and identify programs that support middle-mile and last-mile broadband infrastructure and that leverage dig-once opportunities such as CVAG's CV Sync project.
- Monitor actions by the Federal Communications Commission related to broadband and implementation of the broadband investments as authorized in the 2021 infrastructure Bill.

Homeless and Affordable Housing

- Identify and advocate for opportunities for CVAG's member agencies to secure funding that assists in building affordable housing and increasing housing opportunities for low-, moderate-, and workforce housing.
- Monitor and support programs and funding for CVAG's CV Housing First program and regional solutions to addressing homelessness.

Public Safety

- Identify, monitor and support legislation that provides funding for operations, maintenance, and updates to early earthquake warning systems.
- Identify funding opportunities for member jurisdictions to mitigate and reduce the incidents of green waste fires.

- Monitor legislation and administrative actions related to race, diversity and inclusion policies as it pertains to law enforcement.
- Monitor and support funding opportunities that will assist in the reduction of the spread of COVID-19 and other public health and safety concerns, to assist public entities in their response.
